

Information sheet on the levy of holiday home tax

Dear Sir/Madam,

On 10 April 2018, the Styrian state parliament passed a resolution to change the Styrian law on local visitor tax and holiday home tax.

Due to this change in the law, the holiday home tax was revised in accordance with § 9 para. 3 of the Styrian law on local visitor tax and holiday home tax – StNFWAG no. 54/1980, as amended in the State Legal Gazette (LGBl) no. 55/2018 – by the Municipal Council of the Municipality of Schladming in its meeting on 26 July 2018, as follows:

Levy for the year 2019
(will be levied at new tariffs in July 2020)

- | | |
|---|----------------------|
| a) for a usable area of up to 30m² | new € 200. 00 |
| b) for a usable area of more than 30m² and up to 70m² | new € 270. 00 |
| c) for a usable area of more than 70m² and up to 100m² | new € 340.00 |
| d) for a usable area of more than 100m² | new € 400.00 |

Since the holiday home tax is always imposed retrospectively, the increase in the charge will not become effective until 2020, when the holiday home tax is levied for the year 2019.

In 2019, the holiday home tax will be levied for the year 2018 at the previously applicable rates:
